

NOTRE DAME HIGH SCHOOL

ND Weekly and Updates

February 14, 2022

Dear Parent(s) and Guardian(s),

Happy Valentine’s Day – wishing you and your family all the best. We are very excited to introduce our new Vice Principal Tina Marroum. She comes to our school with a wealth of experience and most recently was the department head of English at St. Joseph College School. Stella Yusaf has moved to Senator O’Connor College School, and we wish her all the best. The needs of the system often dictate an administrator’s journey. We welcome Tina and look forward to building our Notre Dame community.

<p>Monday, February 14 New Screening Tool</p>	<p>I hope you all had a nice weekend. Please be advised that the previous Toronto Public Health COVID-19 screening form will now be replaced with a newly updated screening tool consolidating children/students/adults and staff into one tool. This means that anyone entering the school will use this screening tool.</p> <p><i>This information will be shared with all families centrally.</i></p> <p>Major Changes</p> <ul style="list-style-type: none"> • The major change in the screener notes allowances for people who have had a confirmed COVID-19 infection within 90 days and not needing to self-isolate. For example, those who have tested positive within 90 days on a Rapid Antigen or PCR test and have completed their self-isolation period can return to school, and do not need to self-isolate if someone else in the home has symptoms or tests positive. • The travel section will now refer directly to the federal travel pages in case the federal guidance changes. If a non-fully vaccinated child has travelled, they cannot attend school for 14 days - this has not changed from the federal requirements. <p>Important Links and Forms</p> <p>COVID-19 Guidance: Elementary & Secondary Schools (PDF)</p> <p>COVID-19 Screener, Questionnaire + Passport</p>
<p>BSA</p>	<p>The Black Students Association has been very engaged in celebrating African Heritage Month. They have produced some wonderful resources for students and staff. Here is a sample of some of the video’s the students have been producing.</p> <p>https://www.youtube.com/watch?v=gNCjHPjhyrs</p> <p>Please take a moment to check out our website, highlighting some of the work that the students are doing.</p>
